

} PAF ADVISORY BOARD

Future work

2010

Forward programme

- Monitor introduction and implementation of generic licence
- Engage with untraditional users
- Postzon and other licences (MR, JB, NYB)
- Quality (revisions, UDPRN, mailsort codes, data control)
- Strategy - our data is your data

Public data

- Public good
- Open standards
- Location
- Digital engagement (ex POIT)
- Launch of data.gov.uk
- Consultation on Open Space
- Can PAF[®] quality be segmented?
- Who should pay for PAF[®] data management?
