<b>2013/14</b>	<b>Status</b>	<b>Comments</b>
	<b>End 2 End</b>	The original proposal could not be advanced as it was not possible to demonstrate Local Authority acceptance of Royal Mail's proposal. Alternative arrangements are now being considered including collaborative activities with Geoplace and Scottish Local Authorities around the establishment of consistent ways of working via Service Level Agreements.
	<b>Ops SLA</b>	The modules have been developed and delivered. Discussions underway with Operations to confirm arrangements to cascade across Delivery Offices.
	<b>Licence centre modules 5-7</b>	The modules were successfully deployed for the management of the recent PAF® Licence consultation. No further changes to the PAF® licence centre currently identified.
