

# Happy New Home!

It's so exciting moving into a brand new home, but before you decide what curtains and which sofa to buy, please make sure that your brand new address is registered to receive mail.

Updating your new address from Royal Mail's Not Yet Built data to the Postcode Address File (PAF®) will help when you are updating your bank account details, ordering goods and services online, or just to make sure your family and friends can find their way to your new address!

You can check that your new address has been updated with us by visiting Postcode Finder at,

[www.royalmail.com/find-a-postcode](http://www.royalmail.com/find-a-postcode)

If your details are missing or incorrect, you can let us know by completing the on line form and we will add or update the details to PAF for you.

If you need help updating your new address details and would like to speak to one of our team please call **08456 011 110** option **3** then option **1**.

Thank you and we would like to wish you every happiness in your new home.
